

DAVID BLAKE

ACAS

Associate Actuary

david.blake@milliman.com

Current Responsibility

Dave Blake is an associate actuary with the Atlantic Regional P&C Office of Milliman, based in Vermont. He joined the firm in 2019.

Professional Work Experience

Dave's experience in property and casualty actuarial work includes loss reserving, ratemaking, data analysis, model development, and industry research. Dave supports the ongoing actuarial needs of numerous clients, including insurance-linked securities, catastrophe risk reinsurers, captives, risk pools, risk retention groups, and multiline property and casualty insurers.
